REPLY TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Sir:

Applicant hereby submits a substitute specification to replace the previously filed specification as required by the Notice to File Corrected Application Papers (the "Notice") mailed on November 6, 2003 in connection with the above-identified patent application. The substitute specification which now complies with 37 CFR 1.52, 1.21(b)(3) and 1.125 as required by the Notice is attached hereto. Upon information and belief, the Notice to File Corrected Application Papers originally mailed by the USPTO on November 6, 2003 was never received by Applicant due to error by the United States Postal Service.

The substitute specification includes no new matter. A copy of the Notice is attached hereto, as required.

Respectfully submitted,
